**On your hands...  
Ready...  
Go!**

# A big plus for you and for your hands!

Skin protection, skin cleaning and skin care for people who grab and get dirty in the process. rath's is the professional plus in the workplace. For many industries and fields of application. Including advice from experts who do their thing with a lot of experience and passion.

- + professional products „Made in Germany“
- + practical and clear
- + high quality and effective
- + modern and future-proof recipes

## SKIN PROTECTION

rath's skin protection products can largely prevent contact with dirt and skin irritants and can reduce the risk of skin damage if consistently applied. They must be carefully selected to properly meet the needs of various specific skin irritations at work.  
**rath's – your personal Bodygard.**

## + SKIN CLEANSING

rath's skin cleansing, that is gentle cleanliness. From soft to special, there are high-quality and suitable cleansers for every type of soiling.  
**rath's – as gentle as possible and as strong as necessary.**

## + SKIN CARE

rath's skin care prevent rough and dried out, cracked hands. They ensure that the skin's natural protective layer is preserved.  
**rath's – feels well.**

Our skin has to endure a lot, so skin protection, appropriate skin cleansing and skin care is particularly important. Nothing should be left to chance. Everything we manufacture is carefully tested for skin compatibility by Dermatest in Münster.  
**rath's – and the skin stays healthy.**

**OILY AND GREASY DIRT**  
e.g. oils, greases, lubricants, metal dust etc.

**HIGHLY ADHESIVE DIRT**  
e.g. paint, resins, adhesives

**VARIOUS SKIN STRESSES**  
e.g. oils, greases, dusts, moist dirt/water  
also suitable for use under gloves

**DAMP AND WET WORKING CONDITIONS**  
e.g. water, water-mixed systems, food etc.

**SOFTENS THE SKIN**  
when wearing protective gloves and work shoes
